### Announcement and Call for Papers

The 70<sup>th</sup> Eastern Snow Conference (ESC) will be held at the University of Waterloo Summit Centre for the Environment, Huntsville, ON, Canada 4-6 June, 2013. The scientific program is open to sessions on theoretical, experimental, and operational studies of snow, ice, and winter hydrology. This year's general theme is "SNOW AND ICE UNDER A CHANGING CLIMATE". The ESC has only plenary (paper and poster viewing) sessions, allowing time to view and discuss the research of each participant. You are all invited on an afternoon local historical train trip. You are invited to submit an abstract for an oral or a poster presentation (please indicate type). An **abstract** of 200-250 words should be submitted by **8 March 2013** to the program chair:

**Dr. Alex Langlois**

*Please email your submissions.*

**Students** are encouraged to enter the ESC Student Paper Competitions. The winner of the best submitted student paper will receive the *Wiesnet Medal*, a \$750 prize. The *Campbell Scientific Canada Award* of \$500 will be awarded to the submitted paper demonstrating the most innovative use of technology in the gathering of data. In addition, the *David Hewitt Miller Student Poster Award* of \$100 will be awarded to the best student poster.

To be considered for the Wiesnet and Campbell awards please send an electronic copy of the paper with the supervisor's endorsement (separate email) to the Chair of the Research Committee, Allan Frei, no later than **26 April 2013**. Please consult the ESC web site for conditions and details.
